Terms & Conditions

This order is subject to the Cypress Cloud Service Terms of Use available online at <https://on.cypress.io/terms-of-use>. If there is a conflict between this order form and the terms of service, this order form will prevail.

All prices are shown in USD. Any discounts shown are one-time only; subsequent renewals will be invoiced at standard price, as applicable. Unused tests expire at the end of the term.

Any purchase order or other purchasing instrument that may be provided by the customer with respect to this order (whether attached to this order or issued separately) is for the customer's convenience only, and does not supplement, amend or otherwise affect this order or the Cypress Cloud Terms of Use; any terms and conditions in such purchase order or other purchasing instruments of customer are void and of no effect as between the parties.
